I know for certain that we never lose the people we love, even to death. They continue to participate in every act, thought and decision we make. Their love leaves an imprint in our memories forver. We find comfort in knowing that our lives have been enriched by having shared their love. May God bless and comfort you throughout this difficult time. We are here if you need anything!

Jerry,
I was so very sorry to learn of Gloria's passing. I am the lady at the laundromat that you asked the insurance question to. I thought Gloria was a wonderful person. I loved her drive and great personality. She is certainly in a better place right now. God bless and I will keep you and your family in my prayers.##imported-begin##Helaine (Pfister) Williams##imported-end##
