“ Brandon, AKA BG,
Just happened to be the closest thing to a little brother I'll ever know of having. He was always willing to lend a hand, whether it be a vehicle, home improvements, getting a ride, or as little as going in to get you a pack of cigarettes from the gas station because you can't handle the crowd that's there. He had a heart of gold wouldn't do anything for just about anybody he was very special and he was an angel here on Earth and he's an angel where he's at now. You always know BG had a good story when he started out with, "see it's like this" or "well here's the thing" you can ask him hey bub how's your day or how's it going? And his reply would be" you know living the life" he will ever hold a special place in our hearts, and one day hopefully we'll get to see him again. maybe he'll let us know of heaven has a smoking section.

Melinda Below - March 16 at 02:37 PM

“ I miss quoted Brandon it actually was hey Bub how's it going? And he would reply with"you know living the dream"

“ I'm going to miss you buddy. Although it's been quite sometime since we have had our daily meet-ups at Daniel Wertz, while waiting on the kids, my memories of you will be "Ever Green." Brandon, you will always hold a special place in my heart, you were always one of my favorite kids. The kindness and respect you always gave me, I will never forget. RIP Brandon.
