“ I can't believe I'm writing this. I still can't believe it. What I would give to hear you say hey Babydoll one more time. We had a lot of good times together. You were smart and kind and very lovable. I'm sorry I never made that trip. I'll regret it forever. Caroline and Ron I'm so sorry for your loss and I've been thinking of you since I was told. Fly high my friend and remember I love you forever.

“ My thoughts, prayers, and deepest sympathy to the Ruminer family. As a Master Gardener, I too met Carlton when he helped put up a greenhouse at my home and on other occasions when we needed a strong back and helping hand. He was a nice guy always willing to and eager to help, remembered and appreciated.

“ Prayers to the family. I'll always remember the times we spent together, especially trick-or-treating in your neighborhood and play dates. It seems like the first time I tasted Burgoo was at your house. And I can't forget being in Mark & Jodi's wedding together. Rest in Peace my friend.
