“ *Wow! Wondering why I hadn't seen anything from Troy on my timeline in a very long time. So saddened and sorry to find this. Troy was a really good friend of mine while stationed at RAF Bentwaters England from November 78 - 80. Troy and I didn't start off as friends, but the more we got to know each other, the more our friendship grew. He could truly thump me in a game of darts. RIP my friend! Slow hand salute! Diane, I'm sorry I never got to know you.*

“ I knew Adam as Troy. Troy, his brother Curtis and another childhood friend Bob Collier would play football and baseball in a field in the 1100 block of Blackford Ave. They are some of my fondest memories as a child growing up. Rain,sleet or snow we would be out there. I saw Troy on occasionally over the years. We would stop and talk for a few minutes and catch up. We were always going to get together some day for a meal but never did. Rest in peace Troy.
