“ I remember the day you were born, sweet girl, just like it was yesterday. You hold a place in my heart no one else ever has. You were the first life I got to see come into the world besides my own son. I love your mama, aunt BB and mammaw as much as my own family and my heart aches for them as they mourn you, sweet girl.

“ Adilynn was my baby girl and my sunshine. I loved kissing her fat cheeks. She would always sigh when Jenna would tell her Mamaw was coming over. I would put children stories from the phone up to her ear on her pillow so she could hear them and she would listen and then fall asleep. Its u believable that shes no longer in our lives. I hope she knew how much I loved her. Mamaw will miss you terribly. I will see you later baby girl.
