“ *Beth and Family,  
Please accept my condolences in the passing of your father. Although I only spoke with him a few times, I knew he was a great Dad, by the character of the children that he and your mother raised. I am sorry that I will not be able to attend his service, but please know that I will be thinking of you and your family and hope that all of the wonderful memories will ease the sorrow of your loss.*

“ Dear Aunt Margaret and family,  
There aren't any words to mend your grief. Even though we know they are in a better place the heart still aches. Remember all the good times; the different food combinations Uncle Adolph would eat. The English/German songs he bellowed out. Even songs he would make up the lyrics and sing. I know, my Dad did the same wonderful things. Keep all those precious memories close to your heart. Feel lucky your all still here. Dad brought you into this world and he could have taken you out! Yet you are all here taking care of each other. The way it is supposed to be.  
That's what Dad would want! Stay close!

Love you all. Steve and Kathy
