“ *I'm so sorry you lost Janie. She was such a good person. I knew her when she was little as well as grown. She has gone through a lot and came out shining. May she rest in peace.*

“ *Jamie was an amazingly fun soul. She had so much love and she shared it freely. If you wanted an honest opinion she would let you know exactly what she thought. I loved that about her. She said I could call her "Mom" and she meant it. The world is a dimmer place without her.*
