“ *Mrs. Christmas was my neighbor for all 21 years of my life so far. She loved when my little sister and I would come visit her and talk. We would sit on her couch and talk for hours. I specifically remember one time in middle school when I came home off of the bus and forgot my key, I went to her house and she welcomed me in. We counted numbers in German! She was so kind, and a wonderful light in this world. I am going to miss her so much.*

“ *The grace of Alice's Lord Jesus always flowed through her bright eyes and her contagious smile. Alice's open arms and warm hugs for my children were priceless gifts to them. Alice demonstrated a pattern for Christian living through her modesty and her witnessing for Jesus through music and encouragement. To know Alice was, and will always be a blessing from God.*

“ I was so sorry to hear of your loss. Mrs. Christmas and her husband Don, lived next door to my father and mother, while I was yet a teenager and living at home. I am now 74 years of age, and always remember her sweet personality and character, I was saved at age 30, by our Great Lord and Savior Christ Jesus, and then came to realize that her sweetness came from her relationship with her Lord and Savior Jesus Christ. She was very gracious in allowing me to rent a section of her garage, in several winter years, to store several different old cars that I had owned in past years. We also exchanged Christmas cards this past Christmas.

*I am saddened at her passing. She is a special lady, and now she stands in the presence of her Lord and Savior, who set His great love on her.*

*Sincerely,*
