“ I worked with Alice Jane for 18 years, she was a dear friend and like a sister to me. Alice always had a smile to share and her laughter was contagious. Alice was a ray of sunshine to all the lives that she touched. Alice will forever be loved and missed. My thoughts and prayers are with you Ray, Jessi and your entire family. “ Biddy, Dave, Jeff, Becky & Missy - I was around your family so much many years ago but I still remember the fun, adventures and sometimes trouble Janie and I got into. You were my second family our sophomore year of high school. It has been several years since I saw her, but there's comfort in knowing that your friends are around – and extremely sad when they leave. Alice and your family will always be remembered with my fond memories of being a teenager. My heart and condolences are with everyone who loved her.###imported-begin###Sherry (Reutter) Hall###imported-end##

“ *Jess-  
I know that after high school we drifted apart but when I heard about  
you mom, my heart broke for you. Just know that "God understands  
our prayers even when we can't find the words to say them." You  
and your family are in my thoughts and prayers. The best thing  
someone told me when my God mother passed was this:  
Remember not what is lost, but what is left.*
