“ I just found out about the passing of your mother. Joe, Donna, Janet, Rose, and Joann, I know that I am persona non grata but I am so sorry for the hurt I have caused your family and especially to Rose. I wish I could go back and change the past but I was young and ignorant. I have since learned many things that I wish I knew then. I ask for each and everyone's forgiveness in my failures. I think of them often and there are just some things that no one needs to remind you of. I think of Rose often and wish for her happiness but still can't believe I let it all slip away.

From seeing that she passed at Charleir I figure it must have been cancer. I look forward to the time where there will be no more suffering, pain, tears (maybe tears of joy - my opinion) and we will be reconnected with our loved ones forever. The Apostle Paul said that "to be absent from the body is to be present with the Lord". Also in the Bible it says that "Blessed in the sight of the Lord are the death of his saints". I believe the interpretation is that anyone who has put their trust in Jesus Christ is a saint.

May God Bless and Keep your family as we wait for his glorious appearing and we shall see Him as he is because our corruptible body will put on incorruption and we shall be like him.

Christ's Love,

Kenny Jackson

“ Allene was a beautiful lady inside and out . Her smile could brighten up the room. Loved her husband and children and would call out to them frequently. I praise God she has no more pain and tears . I pray she's walking the streets of gold ; hand in hand with our Lord . God bless and comfort her family .

“ Please accept my sympathy and love for Allene and her family-- you! How well I treasure memories of our family visits to Uncle Herman's. What fun to watch the milking of cows and help to hunt eggs in the chicken house. And our vacations were great! What an imposition to add more "help" to Aunt Emma. (I'm sorry I can't remember that we ever returned the favor. I think Allene was Mom and Dad's flower girl. Am I right on that? There should be a picture some where. I remember how we played games in the front yard...and how later on we "older" girls helped with food service at the weddings. Joe probably remembers how Dad helped with butchering. I am sorry for your loss and yet happy that she is free of the crosses of illness. Sister Carlita Koch (Mary Jane)
