“ *I love you so much sis. You were such a lady, and a kind soul. I know my mom and dad, and all the angels were there to greet you when you left your physical body. I know you are free of pain now, in the loving arms of Jesus and surrounded by God's love. I will keep you in my heart for all the days of my life, until we meet again. God bless you, sweet angel Alvina. I love you. ##imported-begin##Debbie Groben##imported-end##*
