“ *Dear Cousins,  
Grace and I send our condolences and prayers. We were so sorry to hear of Aunt Alvira's death. We have been traveling for the past two weeks and could not get to Evansville to share your sorrow and memories of a very special woman. We wish we could have been there to remember her life and hear the stories. We can at least pray for you all and for Aunt Alvira. I am sure her soul has joined Uncle Lefty and Our God in the Life that we have been promised. I hope you find comfort in that thought, though I know you all miss her so much. She cannot be replaced, but know she is with you always.  
Love,

“ Dear Head Family...

*I just wanted to express my condolences in the passing of Alvira.. From the minute of her admission into the hospital, she had me laughing and on my toes. She is the type of patient that I will never forget. She reminded me so much of my family because she said exactly what she wanted to say no matter what. Please keep your chin up.##imported-begin##Crystal Healy (RN at Deaconess)##imported-end##*
