“ I'm am sorry that I am just seeing this. The last time we talked we were going to make it a point to talk at least once a week and that didn't happen. Girl, I am going to miss like crazy. I will forever be thankful for our friendship.

“ Andrea is my niece. She was always a sweetie but could hold her own in any situation. Always a character and fun to be around. Could really keep a family get together hopping. We will all miss her greatly. She was so strong through her illness. An example to all of us. Fly high sweet Annie. I love you and we will meet again. Aunt Mary

“ The Zenthofers were so.e of my favorite neighbors. Annie would come over all the time and visit with us. She would watch my boys when they were young and later in life they would hang out together. It's a sad day today. God bless her and her family. We love you Andrea!

“ *My family lived just behind her family. Andrea would come over on numerous occasions and play with me. I always enjoyed her company. She was so sweet. God give peace to her family in this hour of need.*
