That was so beautiful of AJ's family photos.He was one of the kindest person I have met.Tom&and I met him in 2018 when we started tearing down the old house across the street.He would come over and visit.And in 2019 we became his neighbor when we finally moved in. AJ would always visit when we started on the outside siding.Tom&AJ really enjoyed one another's company.AJ would always offer his help,he was just a very kind person.He would get his motor cycle out and ride around the street when he was working on it.And baby the love of his life.She would run across the street and say hello to Tom&me.She finally new who we were. We'll iam surely going to miss them both very much.The neighbor across the street.He was Happy AJ. 🐕 🐶 Walking Baby.
