“ Angela was so amazing. When I met her we talked on the phone every day and played Roblox online together. She was so positive, kind, caring, and deserved so much more. I'll never forget her smile. I will miss you forever Angela.

“ *Hard to believe that someone so young has passed so suddenly. I knew her briefly when I worked in the grocery store she and her family shopped at. The world has lost yet another amazing person, much too soon.*
