“ I just found out about Tony's passing today, and couldn't believe it... I worked for him while he was a chef at The Owensboro Executive Inn... I've repaired his computer for him, and hooked up his Surround Sound system before... He was more than my boss, he was a great friend. My prayers go out for friends & family.##imported-begin##Michael Simmons##imported-end##

“ I am saddened by the news of Tony's passing. I had the pleasure of meeting Tony & Gina at the Big E in Owensboro, KY. He was a tough Chef, but for good reason, he had a passion that was truly expressed through his culinary skills. Tony was a wonderful man and he touched so many lives in his lifetime. He will always have a place in my heart.

Gina & Family, I pray that your hearts heal swiftly. I'm sure you know that Tony wouldn't want you to grieve. He was all about enjoying life and living it to it's fullest and I believe he would want us all to do the same. Savor the memories and God Bless.##imported-begin##Briana (Curry) Tucker "Bree"##imported-end##
