“ *To Gary, Sherry, Allen and the entire Stute Family I offer my condolence. I will forever have fond memories of Art with the late night pool games and trying to figure out which is larger a fifth or 4/5s of a quart. I still tell that story to others. Also the winter jigsaw puzzles. Life was great and times were easy then. 7 and 7 Woody##imported-begin##Woody Yellig##imported-end##*

“ *To the Stute Family,*

My Dad, Jim Wunderlich, worked with Art at Evansville Concrete Company. Dad has been gone for seven years, but I remember him talking of Art Stute. My sympathies to you and yours.
