“ Joyce, Paul, Matt, Mark, Michael,

So sorry to hear about your mother. She had such a kind and nurturing soul. She was always so nice and always had a piece of kuchen to offer anyone that crossed her threshold. When we would go fishing out at their place, she would greet us with a smile and a wave when we drove up. When we'd leave, she would try to feed us kuchen or anything else she'd made that day.

It would be hard to count how many lives she touched with her smiles and kindness.

Please know we're thinking of you.
