Barbara and I grew up near each other and went to Baker and Central. We spent lots of fun years together. We once figured out we really were distant cousins. God bless all of the family and friends who loved her.

“ Barbara, you always told the best stories and I loved The times we would sit on my front porch and talk and of course “ have a smoke 🚬😘”.. you don't know how much you be missed and just your kindness and love and how much of a blessing it was for the world to have you in it. I will Miss the dancing and laughing and just the good times we had together... you are now a beautiful Angel, and flying around watching over us...
