“ Barbara was a force to behold while @ Mater Dei. She acted in plays and was very good. She reconnected with the class of 1966 and shared with us how much she loved and depended on her family. And how her mother thought she would be a “great speech therapist”
Rest in peace Barb you made it back to mom & dad

“ I was lucky enough to be part of her extended family at North Elementary. I enjoyed her friendship and passion for helping children. She loved her family dearly, and shared with me how much she looked forward to be with her parents again. What a blessed reunion it must be.

“ Aunt Barb took me to crochet lessons when I was younger. She used to let me and Claire stay the night at her house and build forts. I still crochet beautiful things and it’s one of my favorite hobbies. Aunt Barb was also my sponsor for me when I got confirmed. We loved spending time together.

“ What a beautiful soul! Barbs whole life revolved around her family! She excepted me with open arms many years ago. She had a way of making everyone feel special. She was a huge part of my daughter’s life she loved spending the summers with her. There are so many things to look back on that each person who came into her life can hold on to! When I remarried she still treated me as part of her family! She will be greatly missed her light will shine so bright as an angle with the Lord just as it did when she was here on earth! God bless the Lamble family during this time. May she rest in the arms of the Lord with ever lasting peace!

“ *Barb taught with me at North Elementary. Towards the middle of her career, one of her joys and accomplishments was working with my preschoolers. She found time every week to improve these little people’s speech and I am grateful.* ”
