

Barbara Jean Lomax

October 28, 1955 - July 8, 2020

Barbara Jean graced us with her sweet presence for 64 years on this earth. She changed her residence to her heavenly home on Wednesday afternoon, July 8, 2020, in the arms of her loving husband. Her kindness and compassion for others never waned. Barb was a devoted wife, sister, daughter and aunt. Her countless acts of kindness were constant and unceasing.

She was a skilled and trained hair stylist, as well as a friend to all of her clients. Frequently, she went out of her way to assist her clients in different settings and situations.

Barb also had a passion for nature, a gifted eye for photography and a love of travel. Her mark will be left behind in the many fabulous pictures of the sunsets she captured. Her cooking skills were second to none; and many of us enjoyed her tasty dishes.

Barb was not into acquiring worldly possessions, which is rare in this day, but rather her relationships with people around her were of primary importance.

Barb is survived by her husband of 27 years, Dan Lomax; by a sister, Cindy (Kent) Carnahan of Elberfeld; by three brothers, Ken (Sara) Hart of Evansville, Jim Hart, Jr. of Ft. Branch and John (Beth) Hart of Evansville; as well as many

loving nieces and nephews and her fur babies, Winnie and Lily.

Barb was preceded in death by her parents, James L., Sr. and Winnie A. (Hall) Hart and by an infant sister, Susan Frances Hart.

There will be a service celebrating Barb's life held at a later date. Burial will take place in Sunset Memorial Gardens.

Pierre Funeral Home is assisting with arrangements.

Condolences may be made online at www.pierrefuneralhome.com. Her exquisite beauty and generous grace will not leave this earth. Barb's presence will always be with us.

“ My wife and I met her as a hair stylist and she became our dear and close friend. My wife helped her husband Dan get her phone number the first time. In time they became our close and dear friends. Her light will be missed by all the lives she touched.

“ Thank you Dan for contacting me regarding Barb's condition last week. It really floored me- she was a very special person, always fun to talk with and a genuine down to earth person. I thought the obituary was right on when it comes to Barb and the way she lived. I always enjoyed getting my haircut with her- she was a hoot and will be missed. Look forward to getting together in a month or so. Jack Pate

“ How does someone express their feelings for a friend of 38 years? To Danny & Cindy, I wish I could say something to make the pain & sorrow just a little easier !. Barb was my best friend, and I will cherish her forever. We had so many fun times, and great conversations. She never forgot one of my family members birthdays or my anniversaries and always sent a card. She was always generous with her time and her talents. Being a best friend just seemed to be easy for her. May my condolences bring you comfort, and may my prayers ease the pain of this loss. Love, Tela, Steve, Kaden, Wanda & Jay

“ I met Barb when we were freshman at North. I had to transfer to Central and we lost touch. I believe it was in 78 or 79 when some one gave me her name to have my hair done. We both were so surprised to see each other again!. She was one of my best friends and my rock for quite a few things in my life. I hope I was to her too. Barb was just a very special person. We would take off for day trips to Kentucky with Cindy, Vicki, Beth and me. We may just go to shop or eat lunch or spend the night to get away for awhile. So many good memories! Barb & Danny were such a great couple. They loved and respected each other and took their own trips to get away. Barb and her sister Cindy were two peas in a pod they were so close. Barb was close to her whole family. Rest in peace beautiful lady! You are in good company! To Danny, Cindy and the rest of her family, I am so sorry for your loss. Love and prayers, Mary Ann Mills

“ Their are so many memories ,beautiful memories. So many stories I could share. Are friendship started are freshman year in high school. We share a bond we knew could never be broken even though we had lost touch for several years are friendship was still just as strong. This girl could make you laugh and feel good about yourself when you didn't feel like it. This was just one of Barbs gifts. She was just not beautiful on the outside but more so beautiful on the inside. I am going to miss you terribly but I do know we will meet again. RIP Barb. Peace out love you
