“ It was a privilege to have known Bobby. I first got to know her through her son Jack, to whom I was a class mate to in high school. She was like a second mother to me. When I visited their home, she would invite me to sit at their kitchen table and have dinner with her family. She always made me feel welcome. As time went on I moved to Arizona, but whenever I was back in Evansville I would make sure that I visited with her and see my friend Jack. Bobby never missed sending me a Christmas and birthday card each year along with a personal handwritten note. I know that she will be missed by Jack, his wife Becky, their daughters and grandchildren. I will miss Bobby too, she was a good woman. Again, it was a privilege to know her. Rest in Peace Barbara Jo Schlottman.

“ *We called her Bobbie. I loved her entire family. Brenda her daughter was one of my best friends when I moved from Darmstadt. Her husband Jack loved the purple Marlin. And Jack her son was just a very nice young man. I think he will be the one that gets this message. I worked where she passed and am thankful she was there. I saw her at Schnuck's and spoke with her a few years back. She had not changed one iota. A wonderful mother of a outstanding family that it was my pleasure to know when I moved to her neighborhood. Warm hearted and loving. We are all sorry for her passing but I am sure she knew when it was time to go.*

“ *I thought Bobbi was a fantastic lady, She was kind and good and always wanted to help her sisters and family. although she never wanted help for herself. She was the original giver not the receiver. Everyone liked her and she will be greatly missed. Becky Roberson, friend of Bobbi ,Janice, and Jeannette*
