“ *Cousins,*

I am so sorry for your loss of your mom. My thought and prayers are with you all during this difficult time. She always liked joking around, and I could always count on her to bring my favorite dish to family gatherings-- dumplings!

She can now be reunited with you dad.

Love

“ *I remember asking to climb over the fence to see Beanie and Clinton on almost every visit to my grandma's next door many years ago. Sitting under the big tree in their back yard breaking beans, shucking corn or whatever was in season; getting a sweet treat from her kitchen; threading needles for quilting; and always a funny story or joke are a few of the fond memories I have. What a wonderful woman! She will always hold a sweet spot in my heart!*
