“ *I just learned of Betty's passing. I lost my mother in August of 2020. Her name was Betty also. I met Betty at bingo and she was always so kind to me. We had many talks. She always talked about wanting me to come live with her. Spoke often about her dogs. Spoke nothing but great things about her son and grandson. Also told me how handsome her husband was when he was living. We also talked about our birthdays. Mine is July 8th. She was such a sweetheart. I sure hope we see each other again when I reach home. It will be wonderful catching up with her. But for now, Miss Betty, rest and enjoy yourself and I will see you again. Lisa.*

“ *Much SYMPATHY and BEAUTIFUL MEMORIES to Betty's family. I was one of her Bingo buddies for years. She ,my husband and I all had July birthdays. I'll never forget the time she baked a carrot cake (my husband's favorite) for our birthdays. It was the absolute best and most beautiful cake we've ever had. We also shared a love of dogs and always showed pictures of ours to each other. I know she loved her husband so much so take solace that they are together again. Debbie and Steve Ayers*
