“ My thoughts and prayers go out to the family of Betty. It was a pleasure taking care of this sweet lady. Never a dull moment if Betty was around. Wish I could've known her longer but grateful for the time and memories I made with her. Here's one of many pictures she highly disliked taking with me but it grew on her. RiverBend will never be the same for me without my daily knuckles and lectures from Mrs. Betty.

You will be missed ❤️

Letha and family,
One of my favorite ladies ever. I loved my conversations with at Saturday evening Mass all those years ago. She was one special lady, I know she had a part of my heart always.
Love and prayers,

“ *Paulette,*

Sorry to read about your mom's passing. The article brought back fond memories of growing up in Western Terrace, Corpus Christi School, Mater Dei and the dances on Friday nights. Those were great times.

Best Wishes for you and Letha

I am so sorry to hear Betty passed away. I was not able to be at work or would have come to her room. Betty would always sit in the lobby area. I would talk with her when passing by. it will not be the same not seeing her there. You both are in my thoughts. Heaven has another angel. God Bless

“ *So very sorry to hear of Betty's passing. I always looked forward to talking to her. She had a bit of a stubborn streak that was endearing! Prayers for her family.*
