“ *Dear All, I was out of town and missed the funeral so this was the only way to tell you ALL how sorry I was to hear about Betty. I hadn't seen her since your Dad died and didn't realize things were so serious.*

*Please know you are in my thoughts and prayers. I remember the summers I used to spend with all of you years ago on Seminary Road. It's hard to believe she was the same age as me.*

*Mary had said something about trying to get the "cousins" together. Let's really try....Love, Judy##imported-begin##Judy Rohlfer##imported-end##*

“ Sonny, Mary Jane, Pat, Jerry Ray and Carolyn:

*In case we don't get to talk with you at the funeral we want to tell all of you how sorry we are about "BJ"'s passing. I told her and I will tell you that no matter how "ugly" that illness got she was still BEAUTIFUL to me. What a special person. WE loved her and we love all of you!*

*A special note to Dan: You were the best thing that ever happened to "BJ". The two of you were always so much fun to be around. The memories are SO wonderful. Your care and concern for her throughout this whole ordeal was a shining example for all of us to see and follow. We can only imagine how hard this is for you to go on without her.*

*All of you will be in our thoughts and prayers for sometime to come. All of our love. Tom & Mary Madeline##imported-begin##Tom & Mary May##imported-end##*
