“ *Allan, Amber and the rest of the family. I am deeply sorry for your loss and know the heartache you all must be feeling. Betty was a wonderful woman and a great neighbor to Christine. Alzheimers is such a devastating disease, and with her other health problems, I believe she is in a better place. That is not a phrase that comes easy for me to say. But we are dealing with Alzheimers too, and it is heartbreaking. God bless you all. Take Care and be strong.*
