I worked with Bonnie at Cummins for several years. She was a good friend and a unique person. I had been trying to get in touch with her but couldn't find anyone that new her address. My thoughts are with you at this sad time.

“ *I was so sorry to hear of the passing of Bonnie. Bonnie was my friend and co-worker at Cummings. She was a very caring person. I tried to contact Bonnie back in the spring, but her cell number no longer worked and didn't have any other number to call. I sent her a Christmas card and letter this past Christmas with my number and email address. My thoughts and prayers are with her family. May God comfort you during this difficult time.
