“ *My family remembers Brock as being the coach of my sons first year of wrestling at Tekoppel last year. Brock always had such a presence and the boys really listened not to mention he knew how to get their attention if they were getting a "little wild". I also remember his son Tanner being at a lot of the practices with his Dad. They seemed like such a team. We pray and mourn for your family. Your father is truly such a hero and he will be missed every day! God Bless all of you. To Tanner, Levi, and Zoie, I know you will miss your Dad each and every day but I hope you know that he is your guardian angel now and will be able to look down on you and be with you each and every day.*

With Much Love,

“ Barb and family,

We extend our sincerest condolences on your loss. While Brock's death is a loss for us all, he leaves a legacy that most people can't leave in many lifetimes. We will all miss him, but we know he still watches over us, as he did with the Marines.

With love and sympathy,

The Harp family
