“ I am going to miss his smiling face. He met me at job sites and always made me laugh. Then we shared our harley riding experiences. I was a newbiee and he said you are doing fine for a girl.

I pray to the lord and asked him to give you strength in your loss. If you need anything. You lets me know. I am a widower also.

“ Bryan was my friend and a wonderful human being. I always had fun with him. He and I went to see Dale Earnhardt win the Fall 2000 Talladega race. We were able to see Dale pop open a bottle of champagne in the media both directly behind us. I will never forget the excitement on Bryan's face when he ran into Richard Petty in the media center. Bryan said, "Mr. Petty can I have your autograph?" Bryan was so floored when Richard replied, "You can call me Richard," and signed the sleeve of his white t-shirt. The look on Bryan's face was that of kid at Christmas who just received the gift the he had been begging for all year long. I will never forget that look and how excited he was. I am going to miss my friend.##imported-begin##Amy Elliott Truong##imported-end##

“ I was Bryan's 7th grade teacher. Several years ago I ran into Bryan doing work for the neighbor of my daughter. I was so very pleased to see how well he had done and how happy he was. He loved his children very much and seemed most pleased with life. He thanked me for being one of 2 teachers who had made a difference in his life. He had no idea how seeing him again and how well he had done touched me and that he had taken the time to say thank you made my years in the classroom even more rewarding. I am so sorry for this loss that you are experiencing. He was young, vibrant and a great asset to this community. You all will be in my thoughts and prayers at this difficult time. Bryan will be missed by all whose lives he touched.

“ Chanel, Terry and the Fluty Family,
When I heard this Sunday morning an overwhelming sense of shock was felt. Tragic accidents are never understood. I am just thankful that I was one of the fortunate people who got to spend some time, short as it was, with Bryan, his smiling face and happy-go-lucky personality in his final hours! He will truly be missed! You are all in my thoughts and prayers. Love, Debbie##imported-begin##Debbie Albin##imported-end##

“ Dear Terry, Marty and Entire Fluty Family.....I live in North Carolina now, but heard the sad news about Bryan. I cannot begin to imagine how very difficult it must be to accept this loss, and to say good-bye to such a young and vibrant loved one. I believe that Bryan is now serving a higher purpose, one that perhaps you do not fully understand at this moment. I know he will continue to watch over and protect his family, and in time the pain will lessen and the emotional healing will begin. My thoughts and prayers will remain with you all.##imported-begin##Pamela Husk-Rogers##imported-end##

“ Chanel,
We are Staci Holweger's parents. We want you to know how sorry we are about Bryan. We were around him quite a lot when he lived next door to Staci and Brent, and we always enjoyed being with Bryan. He was so kind to us and so much fun to be with. He was such a good father, and we know how much his children will miss him. There will be a void in many lives because of Bryan's passing. We will miss him. You have our deepest sympathy, and are in our thoughts and prayers.

“ This is an overwhelming thing that we still can't believe. We have known Bryan all of our lives and played soccer together as kids. Bryan is a special friend that we will always remember. We not only shared a friendship but the same birth day (11/2/73). This day will mean so much more to us and we will always remember Bryan as we all celebrate. Bryan was a special person and a wonderful husband and father. May God guide you and watch over your family.
