“ *I just found out and I am shocked and stunned by this. I have known Carol for a number of years and will miss her terribly. She loved everyone. She always had a kind word for those she cared about. She adored Nick and his family. She held him close in her heart and loved him dearly. I will miss her smile and laugh and the posts and jokes she shared with me throughout the years. Prayers for her family and friends now and in the days ahead . An angel gained her wings. Love you always Carol.*

“ I was Carol daughter she never had. We would go out for lunches and dinner. We talked about Our husbands on the phone. Carol was blessed with a great man . She talked about Nick all the time to me on the phone . How amazing his kids are and grandkids. Carol had this sassy attitude that Nick fell in love with . Carol was in love as I was in love with my husband. Carol was the light of everyone’s life when you met her. She also loved to talk about her sister and her nephews and nieces. I never thought about her ever passing. I talked to Her about me picking her up for Triva while her sweet husband played basketball. My heart ❤️ is broken and it’s nothing I can do about it. Our Lord gain an amazing women. I am heart broken for her husband and family. Carol had told me more then once . It’s okay sweetie you will see . Don’t worry about me God is with me . I believe Nick when we talked . If there is a God he stated shes with him. I believe she’s is with her past love ones and waiting on her true love ❤️ to be with her again someday. Nick I know you’re not one to believe but God Loves all and through your wife eyes God has seen the greatest man ever loved his child as much as he loved Carol . All my knowledge Carol Is holding a spot for you beside her . My love, my prayers go out to all who loved Carol my other mother .
