“ *I worked at Transcedent South on the dementia unit when it was open that's when I met sweet Carol. She was my side kick. She was very sweet and precious to me and held a very special place in my heart. This breaks my heart as she was so young and full of love and good spirits . I will miss her dearly. R.I.P my sweet Carol.*

“ *Prayers to the friends and family on their loss. Ms. Pigman is one of the main reasons I became an English teacher. Her enthusiasm for reading and discussion was infectious. I hope I am half as good as her one day.*

“ We sure had a lot of fun in the neighborhood as kids dressing up & trying to remember our lines, for all the different plays Carol would make up & direct in the backyard. Once we even did a dog show! Prayers for all, Carol was a good & fun loving friend.

My memories of Carol go all the way back to early childhood. She will always be considered a good friend. We shared some of the best times of life!
You all have my sympathy.

She was a high school competitor at Mater Dei; I was at Reitz. She taught and coached at Mater Dei; I taught and coached at North. Then we both coached at North. She's been in Kansas; I've been in Ohio. But wherever she was, she was bringing good and caring about others and sharing her love of reading.
I'm grateful for all of our times together.
Oh, and I always knew she loved her family. I sorrow with you in her loss.

Bob, Bill, and Kathy, I am so sorry to hear of your loss. I am not sure if you ever knew this, but my mom said your mom named Carol after me, but your mom thought my name was Carol Lynn and she liked the sound of it when my mom would say my "first and middle" name together. She didn't know until after naming Carol that my middle name was not Lynn but rather my first name was Carolyn. It brightened my day when my mom told me that. Although I never got to know Carol, it is a fond memory I will always have and thought I would share with all of you. Sending prayers for comfort.
