“ I am Bill Loesch's daughter. I have a lot of good memories of Aunt Sue and Uncle Joe as a small child. They took me places like the amusement park and let me sleep over when they lived in the apartment on the west side. Uncle Joe would give her eyelash kisses that he called butterfly kisses. They loved each other very much. I'm sure they're together again in heaven.##imported-begin##Elaine (Lainie) Loesch Helderman##imported-end##
