“ My memories of Aunt Kate is that she always had a smile on her face. The two memories that stick are her and my mom seeing each other at a birthday party and a visit in Indiana. They just would smile and hold hands. She was such a great big sister to my mom and a positive role model for everyone around her. I know she is at peace with Uncle Will and grandpa and grandma and uncle Al and Aunt Mary. My sympathies to the family as her passing leaves such a large hole in their lives.

“ It was my pleasure in being part of the team of taking care of Catherine. She was an amazing person who will be greatly missed missed. Everyone was sister or honey to her and her smile could light up a room. I will miss saying good morning sister and being her nurse. My heartfelt love and sympathies go out to her family. She was truly a blessing.

Sincerely,
Tracy C.
