“ So very sorry for your loss. I met Cathy through her sister Terri. Terri is married to my brother Kevin. Cathy was always very involved with her family and loved her children. For many years her with her sisters would get together to bake and later involved there children too. I thought that was a sweet tradition they all did together. 🙏❤️

Kathy was a great person. I first met her when we went to StPhilips grade school, then she moved away, and I reconnected with her at StBoniface Jr high. we both attended MaterDei high school, sharing many classes together and home room teachers . She was always smiling on the out side even when times were tough , she is a special kind of person and she will be missed ,

I am so very saddened by this news. I met Cathy many many years ago working at the Gap and she was a sweet sweet lady! Always had a smile on her face and loved being surrounded by her children! She was much loved that was very obvious. Christine and Andrea (and other children) I'm very sorry for your great loss.
