“ *To Olga and all the family,  
We're so sorry Charlie couldn't stay a little longer, but knowing he was ready to go has to be so comforting to each of you. No matter how ill our loved one is when they die, we still miss them terribly and there's a big hole left in our heart that will always be there. He will be missed very much. One thing is sure, he knew he was loved by his family. On a happier note, I think of so many of our Forest Hills family that are now in heaven and like to think of the big party they're having right now, that we're missing out on! Some day we'll join them. What a glorious day that will be.*

*Our prayers are with all of you in your loss.##imported-begin##Vera & Jerry Cleek##imported-end##*

*When I was a child I spent many days with my grandmother, Alvina Martin, in the little block house on your property. You were very good to us.*

“ So glad Charles' trust was in the Lord and that he made the world a better place in which to live.

May your happy memories bring you smiling through.

I attended Rheindlander Grade School with Jerry Effinger (who played on the basketball team) and I also remember Marilyn as a dedicated/practicing Christian even in her youth.##imported-begin##Naomi (Gresser) Austrew##imported-end##
