“ *The "Dogtown" group is getting smaller with the departure of Toby. He was a good person and I am happy and blessed to have known him, both in Barker School and later. The memory of our get togethers will remain with me for the rest of my time. So to his family, my sympathies and nothing but good thoughts when his name or memory comes to the fore. There is so much more I could say and write but " Please accept my best wishes and sympathies"*
