“ *My sympathy and heartfelt condolences to Michael and Kathy and Angie. Also to the family and friends.*

A couple of memories... Charles was the last one to always call me Patty, a light gone dark.

When Julie died and we were here for the sad day. Charles came to me and said, "now Patty I know what you went through when you buried your son, Benjamin"... and then when Rosie died and we were here for the sad day.. Charles came to me and said " now Patty I know what you went through when you buried your love-mate , your husband Charles."

“ I am very sorry to hear about the loss our your Dad. I am sure he is glad to be back with Rosie. May your many wonderful memories sustain you through this difficult time. I still miss the old neighborhood where you had to listen to everyone's parents and not just your own.

Sincerely,
