“ *Kent was really fond of Uncle Charlie. They both served in the Navy and loved the outdoors. Brad has many very fond memories of his times learning from Uncle Charlie. He knew how to do just about everything and made sure his children were all hard workers and fine citizens. He is missed.*

“ I worked for Charlie at his Marathon Service Station at Main & Vine. He was undoubtedly the nicest guy I ever worked for! Charlie bent over backwards to serve his customers in a fair manner, this was 1969 thru 1971. He had his hands full with a large growing family of great kids and I'd bet they all turned out as nice as their father, RIP Steve Reed

“ *Uncle Charlie loved children. One time I was at his house with my eldest, Leila. She was about 9 months old and couldn't figure out how to crawl yet. Uncle Charlie got down on his hands and knees and taught her how. Just watching the two interact was memorable.*
