“ Bruce, Teri, Nick, and Laura

If I could catch a rainbow I would do it just for you and share with you it's beauty on the days you are feeling blue. If I could build a mountain that you could call your own; a place to find serenity, a place to be alone. If I could take your troubles and toss them in the sea, But all these I am finding are impossible for me. I cannot build a mountain or catch a rainbow fair, but let me be what I know best, A friend that is always there. You are in our thoughts and prayers.
