“ Dear Ann and the entire Schapker family,
My thoughts and prayers are with you during your time of great loss. Charlotte and I were both hired at Berry near the same time as we worked in the factory together. She was loved and liked by all - everybody loved Charlotte!
She will be missed by her friends and neighbors in the St. Joe parish.

“Charlotte was an absolute walking angel, having only sweet, kind words to say when I seen her. She was a person that loved people and most of all loved her family dearly! I've known her for years and she was always so kind when we met. I always enjoyed talking with her when we seen each other and I'm glad I gave her a real big hug at a basketball game that I seen her at recently. No question shes in heaven!
