“ Wow. I haven't seen Chris in many years, but I will always remember him most from the mid-to-late 1970s when we hung out a lot. He is the reason I knew about Conan the Barbarian from graphic novels long before it was a movie Lol. And he sure did love Led Zepplin! I loved watching him teach karate and do the forms. My memories of him then will always have a special place in my heart. Ashley and Krystin... and Sarah... I love you guys! I am so sorry!
