“ I have fond memories of Susie. She was so kind and helpful when we were at Industrial Contractors, Inc. she was a professional lady who went out of her way to assist the workers. She was a valued employee at Industrial and gave 100% in all of the job positions she held. I never heard her complain about work or the people. I will always remember her happy smile, positive attitude and beautiful hair! She loved 'Peanut' her husband and I believe she was a tower of strength for him. Mike Wells

“ Patty, Mary and the entire family. I could not believe the news of Susie's passing. She was always so happy and smiling every time I saw her. From years ago when you all would come swimming until just last year when she helped us design the monument for dad, she was always so patient and caring. Heaven truly gained an angel over the weekend. Know you're family is in my thoughts and the thoughts of mom.
