“ Uncle Jupe, you are one in a million. Genuine, kind, caring and always funny. I will never forget the fishing stories, Apple pies and homemade wine.
You're the last of our great families' generation. Bob, Margaret, Bettye and now you.
While we haven't spent Thanksgiving together in years, the memories of the holiday always bring laughter and great stories. Much love to Barb, Beth and Steve. I'm so sorry I can't be with you today. We have to stay in touch!
Love always, Susan (Suzie)
