My dearest sympathy to Rosie, Betty, Janie and Donna. I always enjoyed seeing Clarence in his apron at Germania. I wish I could give you all a big hug but circumstances robbed us of that. You all will be in my thoughts and prayers.

“ Rosalie, John and I want to extend our sympathy to you at Clarence's passing. Our memories extend from his visits to the John Deere store where he was always glad to see everyone and just might have a story to tell, to seeing you two out and about and sharing a good laugh. We always looked forward to visiting with you and Clarence as you both are young at heart and a pleasure to be with. Please know our thoughts and prayers will be with you at this time.

*I was privileged to have been able to met this wonderful man during my visit to Evansville a few years ago. He showed me his wood making items. It was the stories he told of each that were remarkable. He made me feel welcome and so comfortable in his home. Prayers to his family
