“ Carol, Nina, & Family, I'm so heartbroken at the news of your loss - you are in my thoughts and constant prayers during such a difficult time. Clinton had such a sweet heart; I always enjoyed chatting with him. Of course, I'll never forget his "ring bear" story, when as a very young boy, he was going to participate in a wedding.... and wondered when he would be receiving his "Ring Bear" suit (you know, brown and fuzzy, with 4 sleeves?). Imagine the vision he had in his mind at that young age, of being dressed as a circus bear, at Julie & Gene's wedding. While the adults all heard "Ring Bearer", Clinton perceived those words as "Ring Bear" in his young mind. Such a precious story, that has brought a smile to my heart and face every time I'd share it, since their wedding (1982, I believe - so Clinton was 2 years old.)

I love you guys.

*Always,

“ *To the family:
I had the pleasure of working with Clint at Ivy Tech. I was saddened to hear about his passing. I know that no amount of words can comfort the family at this time, but I would like you to know that you are in my thoughts and in my prayers.*

“ I am so sorry for your loss, he was a very sweet person. I remember him going camping with us, when the scouts went. He would always put up with the craziness of me and my boys. I know he was Tom's age, but he always adored Mike and Matt too, and they loved him back. He always treated them like a little brother to him. There were many more great memories when I watched him after school when he was little.

He will be greatly missed!
