“ It's difficult to say in words what Buddy meant to us. Our friendship of over 50 years was a treasure we will always keep in our hearts. Buddy was a blessing to us in ways that are too many to mention. He was not only a close friend but one who kept us laughing, thinking, and crying all at the same time. We are so lucky to have known him and to know that he is now with his precious Lord who has welcomed him into His loving arms. All of the Deans, Hales, and Howards sincerely send our condolences to Jo and all of the family.
