“ Leandra & Paul families, my husband and I were sorry to read of Danny’s passing. We worked with him at Keller Crescent. He was a good worker and worked hard. I worked in the Bindery and it was next to the cutting department. Sometimes us gals would have to work in cutting. He was fun to work with! I know he will be missed! You all had lots of pictures of him and I am sure there are lots more. I know you will treasure and keep them all close to your ♥’s. God has wrapped his arms around Danny and taken him home. He will take care of all of you with his love. Comfort and strength to all of you! David & June Pillow

“ We were best buds @ St Francis after having first met there in kindergarten. Danny was always laughing & joking & was a very good artist. As I recall, he did a very good rendition of Donald Duck's voice;)
It was always a treat to get to spend the night with him & his family at the 'Big House' as we were going through grade school.
May God's 'Peace' be with him & his family always.
