“ Such a great man. Not sure how many people know or remember but many years ago, when we were all quite a bit younger, my brother got his foot crushed by an oil well in the middle of a field. Dan carried my brother far enough for someone to get him to the hospital and be able to save his foot. I don't have all the details but the only detail that mattered was the heroics of Dan. May he rest in peace and prayers to all his family 🙏🙏🙏

“ I played football and wrestled with Dan back at Reitz. Dan was a hard nosed, tough competitor both on the field and on the mat. Any success I had as a wrestler I owe to Dan as he always pushed me to my limits and beyond in practice. Even though time took us in different directions in life, I am proud to have called Dan my friend. Thank you for being my teammate and more importantly, my friend.
