“ My family and I would like to express our heart felt condolences for your lose. As a Harley rider myself, I am especially saddened at the lose of another life on a motorcycle. My wife (Barb) and I both ride and know the love of riding and the dangers, We send our prayers to the family along with this message and hope the comfort of the Lord envelope the entire family as you go through the griefing process. We hope healing comes to your hearts soon, but realize that your hearts will always have a part missing with Wayne's passing. God bless you and keep you, Kim, Barb, Bill (along with his family), Chris, and Tim##imported-begin##Kim Barton##imported-end##
